

# CELEBRATING 30 YEARS OF

## About Colin Drury

Colin Drury BA MBA ACMA is Emeritus Professor at Huddersfield University and a leading textbook author for a generation of accounting students. His books have been widely recommended by the main professional accounting bodies for their examinations. He is an active researcher and published in the main peer-reviewed journals including Management Accounting Research and European Accounting Review, with his research focusing on the application of management accounting techniques in British industry.

# MANAGEMENT AND COST ACCOUNTING

## 9TH EDITION

©2015 | ISBN 978140809393

Our bestselling text by Colin Drury covers the theory and practice of management and cost accounting. Offering a balanced approach between a description of accounting techniques and principles involved in evaluating management and cost accounting systems, the text provides a framework of understanding that makes sense. The 9th edition has been thoroughly reviewed to rewrite, simplify and improve the presentation of material in a way that engages with students.

### Drury Hallmark Features include:

- **Real World Views** that help demonstrate theory in practice and the practical application of accounting in real companies around the world.
- **Worked Examples** that illustrate accounting techniques and information to make these more clear for students to grasp.
- **Key Examination Points** provide tips for students completing accountancy exams with regards to specific chapter content.
- **Review Questions** enable students to assess their understanding of the main topics in the chapter.
- **Review Problems** are more complex and require students to relate chapter content to various business problems. These are presented with *levels of difficulty* signposting.
- **Advanced Reading Sections** are highlighted using a vertical green line so that students can avoid or read this depending on requirement of in-depth knowledge.
- **Recommended Reading** at the end of chapters provide advice on key articles or books to guide students in their pursuit of understanding topics and issues in more depth.

# DRURY'S DIGITAL OFFERINGS

## MindTap

For the first time Drury's *Management and Cost Accounting 9e* has been developed into a fully online, customisable course. Thanks to MindTap's carefully curated material, you get the precise content and ground-breaking tools and applications you need to engage students and promote critical thinking for your Accounting course.

### Why MindTap?

#### The Power of Personalisation

Nobody knows how to engage your students better than you do, so don't settle for static course content. MindTap's innovative personalisation tools allow you to customise every element of your course - from rearranging the Table of Contents to inserting videos, comments, activities and more into the MindTap Reader itself.

#### Real-Time Analytics

Don't stay in the dark about students' level of comprehension until after the first exams. Promote positive outcomes by tracking students in real time and tailoring your course and lectures as needed based on the analytics.

#### Improved Workflow Saves You Time

You don't need to spend valuable time curating fresh content for each of your courses, every semester. You improve workflow and save time when planning lessons with all of the trusted, most current content you need in one place.

Cengage Learning's Aplia is a web-based assessment and homework tool that significantly improves outcomes and elevates thinking by increasing student effort and engagement. Developed by teachers and used by more than 1,000,000 students, Aplia assignments connect concepts to the real world and focus on the unique course challenges facing Accounting students.

Features include:

- An embedded eBook
- An easy-to-use course management system
- Personalised customer support
- Automatically graded chapter assignments with instant detailed feedback
